

Hail to the Founder of Camelot

A Tribute to Dr. Eugene M. Hughes,
Founder of The School of Hotel and Restaurant Management
NORTHERN ARIZONA UNIVERSITY

A leader shapes the places that he leads in.
And nurtures them with heart and soul and thought.
He builds a culture fit to plant the seeds in...for **Camelot**.

A leader doesn't echo what's in fashion.
He governs by what's right and what he ought.
He tempers economics with compassion...For **Camelot!**

Camelot! Camelot!
It's in a place called HRM.
Yes, **Camelot. Camelot!**
Clearly, crème de la crème.

A leader's people form a kind of family.
A family that can grow in fame and sphere.
In short there's simply not,
A more congenial spot
For growing warm traditions, well—than here in **Camelot**.

Camelot! Camelot!
Though we may leave, we'll still recall
Our dear **Camelot**.
And the man behind it all.

This leader made a table with no corners.
A round, respectful home for caring peers.
In short, there's simply not
A more collegial spot:
A shining, silver lining that is here—our **Camelot**.
